### BUTLER ALMA MATER

Come and join in song together,  
Sing with might and main;  
Our Beloved Butler High School  
Sounds her praise again.  
Here's to her whose name we'll ever  
Cherish in our song.  
Honor, love, and true devotion  
All to her belong.

# *A Story of Building . . .*

## *in concrete*

Butlerites may remember 1957-58 as the year in which the new high school and the Demmitt Elementary buildings were constructed; it is also the 37th anniversary of our building.

But we ourselves have also been building in a less tangible way—not with blueprints and concrete, but with our minds and our hearts. We have built knowledge in the classroom and physical skills in the gymnasium; we have acquired the rich experiences of various clubs and activities; and the social assurance which grows from our high school friendships . . . and so, to the telling of this story of building, your 1957-58 Air-log is dedicated.

# THE ——— AIRLOG ———

Just as a blueprint is changed and re-changed, handled by many hands until it bears the hallmark of every member of the staff. Even as the deadline arrived, our heads were swimming with plans and ideas, untried or discarded by popular vote. Not we, the staff, but you, the students of Vandalia-Butler, have written this, your yearbook; we have only compiled it for you. It is a record of your work, your fun, your aims, your projects, and your achievements, and it is with pride we offer to you this, Your

## AVIATOR STAFF

"We hear that D. C. was quite embarrassed when asked about F. D. . . . We wonder why." . . . "The seniors in the spotlight this week are . . ." ". . . Butler flew to victory in a resounding football game last week" . . .

Phrases such as these are always eagerly read in the gossip columns, features, sports\* columns, and club news of the school paper, the Aviator. The Aviator staff, organized as a journalism class, has made a giant step in circulating school publications and in boosting school and community spirit.

The Future Homemakers of America, consisting of 125 members, is the largest organization in the school. The high attendance record for each meeting tells us that the girls at Butler are striving to achieve the knowledge of a good home and family life for all. To promote a growing appreciation of the joys and satisfaction of homemaking, to encourage democracy in the home and community life, and to further interest in home economics are a few of the purposes.

The F.H.A. members have been kept busy throughout the school year. The formal installation of officers and new members, the style shows which showed the ability of the home economic girls in sewing, the educational field trip, and the serving of dinners are some of the activities in which the girls participated.

The goal of the year was fulfilled by becoming members of the State and National Chapters of Future Homemakers of America.

Officers of F.H.A. are as follows—Sitting: K. Blausen, Secretary; D. Fisher, 2nd Vice-President; N. Morton, President; D. Welch, Vice-President; V. Miller, Treasurer-Std.; Miss Boian, Advisor; C. Cultice, Const.; J. Wilson, Service; J. Boedeker, Service; J. Groff, Publicity; Miss Amos, Advisor.

"Do you get to teach today?" . . . may be overheard from F.T.A. members in the halls. These members have a chance to explore the teaching field by substituting for absent teachers. It's fun and helps the members to decide about becoming a teacher.

The formal initiation, serving for the coaches' banquet, entertaining other F.T.A. clubs, and attending conferences at various colleges are among many of the activities which the F.T.A. members enjoy together.

## FUTURE NURSES ASSOCIATION

"What is being done for the physically and mentally handicapped children who are 'slow learners'?" "Why is talking problems over with a qualified person essential for mental health?" These and many other such topics have been discussed at the meetings of the F.N.A.

Some of their activities have been: taking a first aid course, providing a nursery during P.T.A. meetings, making Christmas favors for hospital trays, touring the Ohio State Medical Center and various hospitals, and holding a pinning ceremony for those girls who have given the required number of hours to volunteer services.

One of the purposes of the club is to help the girls understand more thoroughly the different phases of nursing.

F.N.A. officers at work: Judie Oakes, Marijo Korek, "victim," Karen de L'horbe; president, vice-president, and secretary-treasurer respectively.

## PEP CLUB

Take a group of enthusiastic girls who enjoy sports and to participate in cheers and you have Butler's Pep Club. This group supports our teams in many ways. The members make signs before each game and hang them in the halls and attend the games as moral support for the team to boost them on to victory.

The club was headed by: J. Smith, President; C. Sprecher, Vice-President; N. Shull, Secretary and Treasurer. The faculty adviser was Miss Turvey.

Among their activities for the past year were: sponsoring an All-Sports Dance and decorating for the Homecoming Dance.

To be eligible for membership in this club, one must be a senior in high school with an A- or better average in all high school math courses. Pledges are selected and initiated at the end of the junior year.

These and many others are among the inquiries which the office girls are required to meet daily. These pleasant and helpful girls can be seen in the halls, collecting attendance slips or issuing the bulletin during the day.

# 1958 SENIOR CLASS PROPHECY

By two one-eyed, one-horned, flying purple people eaters.

"Beep, Beep, Beep, Beep!"

It is now the year 1968. Our Butlernik Satellite has reached the upper atmosphere, and we are peering back into the lives of the class of '58. As we pass across the U. S., a mighty roar is heard from the stands of Yankee Stadium as *David Liffick* strikes out another batter. Having nothing to do, *Keith Powers* stands at second base gazing into the stands where *Nancy Butterbaugh* and *Carolyn Alspaugh* are cheering the team.

Several of our graduates have entered the entertainment world. *Pat* and *Steve Van Scoyk* have become successful as a dancing team. They are now playing at the Roxy Theater in New York, which is now owned by *Rollie Staley* and *Ray Campbell*. The audience is filled with members of their class. We see that *Esther Erbaugh*, *Loretta Bowman*, *Marjorie Bennett*, and *Ted Schmidt* are all enjoying the performance. *Janet Smith* and *Kathy Musick* are members of the Rockettes, who will naturally be part of the show which is being produced by *Jack Campbell*. Starring in the dramatic production, "I was a Teen-age Vampire," *Barbara Morris* has *Connie Martin* as her make-up artist.

Passing over Dayton, Ohio, we see standing on the corner of Third and Main, *Judy Boedeker*, selling the evening edition of the "Noisy Blab" edited by *Gayle Whiteman*. Through our X-ray telescope we see featured on the front page, the case of *Dave Sunderland* vs. *Jack Sandridge* (or, the case of the missing hubcaps). Judge *Fred Morton* is presiding on the bench.

The fashion world's newest models, *Janet Ishmael* and *Joan Craig*, will be modeling creations designed by the noted fashion designer, *Merri Huff*. The buyer of these fantabulous gowns is *Nancy Morton*.

The society section carries the story of the tea given by *Judy Grimes*. Those who attended were *Cynthia Sprecher*, *Rose Marie Francis*, *Susan Borchers*, *Marijo Korek*, *Judie Oakes*, *Mary Jo Evans*, and *Chris Wilson*.

In the sports section is the story of Dynamite *Denny Detrick's* spectacular ninety-yard run, winning the game for the Podunk Poodles. Some of his teammates include *Pat Suman*, *Bob Adams*, *Lee Slorp*, and *Randy Dirks*. Cheerleaders for the game are *Kay Harleman*, *Pat Webb* and *Jo Wolfe* . . . What's this about little *Sue Crenshaw* winning the

world's championship women's wrestling bout?

Traveling farther west we see the open plains where *Craig Waymire*, *John Waymire*, *J. D. Beeson*, and *Phil Hertlein* have settled on farms.

Having passed over a number of school houses, we see that many grads have become teachers. These include *Penny Cron*, *Phil Hutchins*, *Pat May*, and *Tim Garwood*, who is teaching physical education.

Cruising over Hollywood, we see that *John Jenkins* has opened another Dodge showroom. Working as salesmen are *Mike Acton*, *Marshall Jeffers*, and *Ed Molen*.

Working as secretaries in the company of *Taylor (Jim)*, *Johnson (Tom)*, and *Putzan (Conrad)*, who own a thriving singing satellite concern, are *Nancy Conover*, *Dana Askins*, *Dottie Rumer*, and *Gail McCabe Collins*.

Drawing up plans for a bridge to stretch from the U. S., across the Pacific to Hawaii, are *Don Wilson*, and *Jim Brunner*. While in Hawaii, whom do we see, but *Dave Pleasant*, *Carolyn Holland*, *Judy Hanauer*, and *Lincoln Orange*.

As we cross the Asian continent, we see that *Larry Sherman* and *Joe Wright* have opened up a Japanese lingerie shop. In Italy we find that *Cheryl West*, *Judy Gertz*, and *Mary Lou Barhorst* have opened an American Pizza House. Captain *Gary Collins* and *J. R. Montgomery*, who are stationed in Arabia with the foreign legion, are being entertained by *Sandy Clevinger*, and *Pat Cunningham*, who are Arabian dancers. Seated at a candle-lit table in a Paris cafe, are *Joyce Gerdes* and *Leonard Price*, who are being serenaded by *Von Powell* playing his accordion. Still looking for the shoe that he lost on the senior trip is *Bob Minniear*. In a London beauty shop, we see *Barbara Daniels* trying a new hair style on world traveler, *Eleanor Morgan*.

Back in New York again, we see *Mary Scott* and *Stephanie Reicher* helping *Roberta Wells* decorate her new apartment.

Having completed our tour of earth, we must remember to check on *Larry Swift* and *Jerry Thomas*, who have made the first successful flight to Mars.

Top picture, seniors, left to right: Carolyn Alspaugh, Rose Marie Francis, Sue Crenshaw, Jack Campbell, Judie Oakes, Barbara Morris, Lee Slorp, Donald Wilson, Eleanor Morgan, Edward Molen, and Judy Grimes.

# OUR JOB IS DONE!

Only a year ago the bulldozer started to clear the land on S. Dixie and excavate for the new high school, one month before school started for us.

Then in October Mr. Ralph Demmitt broke ground for the Demmitt Elementary School on Old National Road. Construction kept pace all year until both schools were readied for inspection on May 4 at the Sunday afternoon Open House.

This was indeed a year for building . . . The seniors built well with blocks of English, Civics, etc.; the underclassmen also built step by step fulfilling requirements of English, American history, algebra, etc.

Now in May, the buildings are nearly completed, except for interior finishing touches, and will open their doors to Butler Township students next fall.

The seniors, having received their diplomas, are ready to accept jobs or to go on to higher education.

WE, of the Airlog staff, too have constructed our book all during the year. Picture by picture, page by page, *deadline by deadline*, the book took shape until we stamped the last picture and proofread the last page.

WE HOPE YOU LIKE IT!

The Airlog Staff

P.S. Our thanks go to everyone who aided us in preparing this annual.
